

THE URSULINE SCHOOL

Summer 2021 Reading

AP European History Students

Greetings 2021-2022 AP European History Students,

Since the AP Euro curriculum is both vast and detailed, it's a good idea to get a jump on the textbook reading. To that end, please read and outline Chapters 11 and 12 in the textbook. These are the first two chapters and set the stage for all that follows.

Also, please read the book **Civilization: The West and the Rest**, by Niall Ferguson.

(You will receive a textbook and a copy of the Ferguson book before summer begins)

Thank you and have a great summer!

Best,

Mr. Bratt
